zCover Press Release

FOR IMMEDIATE RELEASE
RICHMOND, BC, CANADA – October 29, 2010

zCover releases Outdoor Pack for Apple iPod touch 4th Gen.

zCover starts shipping gloveOne APT4AD outdoor pack for Apple iPod touch 4th Generation. This outdoor pack comes with zCover universal armband, universal belt clip and healthcare grade silicone protection case. zCover Universal armband features an adjustable, water resistant, band that attaches securely with Velcro. It has a one-press-release button so it is quick and easy to attach and remove device from the clip. It is ideal for touch 4G.

gloveOne APT4AD protective silicone case incorporates functionality, our MacWorld Award iPhone cover Style, and introduce smart enhancements for the touch 4G's new physical features, which include front and back video camera, side buttons, microphone and speaker. It has the same popular features as gloveOne series cases, like side-grip-strips for better grip and easy-to-access earphone port and key-lock switch.

All of zCover silicone cases are made with HealthCare grade silicone, a tear and puncture resistant material that is weather resistant and washable. zCover cases are proven to protect devices from dust, dirt and impact while keeping them free from germs and unwanted bacteria.
