FOR IMMEDIATE RELEASE

Richmond BC, Canada Friday April 23, 2010

## zCover releases iSA Key2 ergonomic sleeve for Apple new Remote

zCover Inc is a leading protective cover and case solutions provider has announced today the release of their [iSA Key2 for Apple 2009 new Remote](#). zCover leads the way in manufacturing a high quality product that is always ready for the ever changing market of technology.

zCover iSA Key 2 sleeve for Apple Remote is form-fitting, contour design with advanced ergonomic engineering concept, side finger grips are comfortable to use.

It keeps full control functions of Apple Remote, iSA Key 2 sleeve integrated sensitive, ultra-thin protection skin protects 3 buttons. Let users worry free to enjoy ketchup and fries while controlling their Apple.

zCover Healthcare grade silicone rubber is FDA and ROHS compliant. It is an excellent healthcare grade material for keeping handsets protected in all kinds of environments. It withstands heat, cold, and UV. It is non-toxic, does not react with most chemicals or support microbial growth. zCover Silicone rubber retains its original shape even when stretched to its limit. It is tear and puncture resistant and has a very long life. Because it is safe to wash or clean with germicidal wipes, it is recommended for shared devices and this Apple remote, especially in healthcare settings [Learn more about HealthCare grade silicone](#).

zCover iSA Key 2 sleeve compatible with zCover lanyard, belt clip and other Universal Clips
