

zCover Press Release

FOR IMMEDIATE RELEASE

RICHMOND, BC, CANADA – September 29, 2010

zCover releases ruggedized silicone Case for Apple iPod touch 4th Gen.

zCover starts shipping [gloveOne APT4A protective silicone case for Apple iPod touch 4th Generation](#).

gloveOne APT4A protective silicone case incorporates functionality, our MacWorld Award iPhone cover Style, and introduce smart enhancements for the touch 4G's new physical features, which include front and back video camera, side buttons, microphone and speaker. It has the same popular features as gloveOne series cases, like side-grip-strips for better grip and easy-to-access earphone port and key-lock switch.

All of zCover silicone cases are made with HealthCare grade silicone, a tear and puncture resistant material that is weather resistant and washable. zCover cases are proven to protect devices from dust, dirt and impact while keeping them free from germs and unwanted bacteria.

gloveOne APT4A protective silicone case is designed can be used with zCover interchangeable clip system that attaches device in case to any of zCover accessories, including zCover Armband, Window Clip, Shoulder Strap Clip, Sun Visor Clip and Shirt Clip.

gloveOne APT4A protective silicone case armband pack (APT4AD) will ship gloveOne APT4A protective silicone case with zCover Universal Armband. The Armband in this package is zCover famous universal clip with an adjustable, water resistant, band that attaches securely with Velcro. It has a one-press-release button so it is quick and easy to attach and

remove device from the clip. It is ideal for touch 4G.

Additional accessories for apple touch 4G can be purchased online at www.zcover.com or Reseller account order at sales@zcover.com
