FOR IMMEDIATE RELEASE

RICHMOND, BC, CANADA – January 25, 2011

zCover announces the Holster Case for Cisco 7921G Unified Wireless IP Phone

zCover is now shipping the new [Holster Case for Cisco's Unified Wireless IP Phone 7921G](#), designed to protect and carry the 7921G conveniently on belt.

The **Holster Case** is a hard, clamshell style clip-on-holster made with unbreakable PC plastic, designed for industrial settings. The Holster comes with a removable belt clip that rotates 360 for wearing vertically or horizontally on belt. It's easy to remove and replace the phone using the Holster's built-in thumb tab, or the belt clip, using the one-press release button. The Holster fits Cisco's 7921G Unified Wireless IP Phone

The **Holster Case** is compatible with zCover's interchangeable accessories, including the Adjustable Shoulder Strap Clip, the Reflective Outdoor Armband, the Windshield Clip and the Sun Visor Clip. The Shoulder Strap Clip and Holster Case are great companions, providing a convenient way to protect the 7921G and wear it hands-free. The combination is perfect for healthcare and other professionals who wear uniforms that do not have a belt. The Shoulder Strap is fully adjustable so one-size fits all plus, it features a small, high clamp clip that attaches to clothing and keeps phone secure, close to the body and prevents it from swinging into objects. The Holster C1921TNN for the Cisco Unified Wireless IP Phone 7921G are in stock and retail for SRP \$39.99USD. Additional zCover Accessories for Cisco Unified Wireless IP Phones can be purchased online at www.zcover.com.
