FOR IMMEDIATE RELEASE

## zCover announces the Holster Carry Case Pack for Cisco Unified Wireless IP Phone 7925G

RICHMOND, BC, CANADA – October 8, 2009

zCover is now shipping the new Holster Carrying Case Pack for Cisco's Unified Wireless IP Phone 7925G, designed to protect and carry the 7925G conveniently on belt while it's in Ruggedized Silicone Case

[The Carrying Case Holster Pack CI925R series](#) includes a carrying case holster with removable, rotatable belt clip and a ruggedized CI925B back open version silicone case.

The **Carrying Case Holster** is a hard, clamshell style clip-on-holster made with unbreakable PC plastic, designed for industrial settings. The Holster comes with a removable belt clip that rotates 360 for wearing vertically or horizontally on belt. It's easy to remove and replace the phone using the Holster's built-in thumb tab, or the belt clip, using the one-press release button. The Holster fits Cisco's Unified Wireless IP Phone 7925G in the ruggedized Back-Open Version Silicone Case and fits both standard and extended battery packs.

The **gloveOne CI925B Ruggedized Silicone Case**, like all zCover silicone cases, is made with Healthcare Grade silicone, protecting handhelds from dirt, dust and unwanted bacteria. It is washable with soap and water and can be cleaned with germicidal wipes, alcohol, microwave and autoclave, commonly found in hospitals and other healthcare settings. With excellent drop protection, the Ruggedized Case features reinforced edges, guarding the phone from impact when dropped from up to 25 feet onto a hard surface. The gloveOne case also features comfort-touch, protected keypad and controls with accessible headphone, microphone and charger ports. The Back-open version Ruggedized cases allows easy battery changes and dock directly into the desktop charger.

The **Carrying Case Holster Pack** is compatible with zCover's interchangeable accessories, including the Adjustable Shoulder Strap Clip, the Reflective Outdoor Armband, the Windshield Clip and the soon to be released Sun Visor Clip. The Shoulder Strap Clip and Carrying Case Holster Pack are great companions, providing a convenient way to protect the 7925G and wear it hands-free. The combination is perfect for healthcare and other professionals who wear uniforms that do not have a belt. The Shoulder Strap is fully adjustable so one-size fits all plus, it features a small, high clamp clip that attaches to clothing and keeps phone secure, close to the body and prevents it from swinging into objects.

The Carrying Case Holster CI925R series for the Cisco Unified Wireless IP Phone 7925G are in stock and retail for SRP \$59.99 – 64.99USD. gloveOne Ruggedized silicone cases are available in a choice of six ice series colors including, Clear, Grey, Blue, Yellow, Red, and Purple. Additional zCover Accessories for Cisco Unified Wireless IP Phones can be purchased online at [www.zcover.com](http://www.zcover.com).
