zCover iSA **TOUGH** Cases for the new iPod nano now Shipping

zCover Inc, the leading manufacturer of fashionable silicone protective cases, has announced today the release of their **iSA TOUGH Case** for the new iPod nano (second generation). [zCover iSA micro2 TOUGH](#) for the new iPod nano now shipping.

"We released our iSA micro2 original line on Sept 16th, now we released a full line of our TOUGH cases 6 days later. Its enhanced all around protection with an reinforced silicone layer as crash cushion adds beauty to the new iPod Nano as well as protect it if dropped. The hard crystal screen protector protects your nano screen from scratch." said Sean Sa, vice president of zCover Inc. "zCover products outshine other similar products by having always been the first to hit the market. We are extremely honoured to have won championship in speed of development for iSA cases for the new iPod nano, 5G iPod and nano released by Apple. A full line of TOUGH cases shipped only 10 days after the new iPod nano released. This TOUGH line offers more choices to the customers to dress their nano. "

"In addition to championship in speed of product development, zCover iSA silicone cases have been nominated by Macworld Awards 2006 as editor's choice in the iPod Accessory Category. As the Only iPod Protection Case that has so far won such a nomination, our iSA series will be the best solution for the iPod customers."
