FOR IMMEDIATE RELEASE

## zCover Ships retail pack Multi-Charger for Cisco 7925G Unified Wireless IP Phone

RICHMOND, BC, CANADA – Nov 17, 2009

zCover® ships retail pack [CI925ZDG Multi-Charger for Cisco 7925G Unified Wireless IP Phone and battery pack](#). The zAdapter® Multi-Charger charges up to five (5) phones and five(5) standard or extended batteries simultaneously and features a patent filed, Dock-In-Case™ solution for docking and charging the 7925G phone in our Silicone or Tech Leather Carrying Case. The Multi-Charger for Cisco 7925G keeps a fleet of phones and batteries charged and ready for continuous use during multiple shifts.

The **Multi-Charger battery slots featured with a battery reversed insert prevention mechanism**, ensuring batteries are inserted correctly, even in the dark. The phone charging process can be monitored on the phone screen and the battery charging process is monitored with LED indicators on the charger. The unit switches to a trickle charge when batteries are full and a temperature controller monitors battery temperature during the charging process. If the battery temperature gets higher than 113°F (45°C ) the charger will shut down the battery, making the Multi-Charger very safe to use.

The unit can be placed on a desk or mounted on a wall to save space. The external power supply can be stored in the compartment at the back of Multi-Charger with **Aluminum heat sink style door** for space saving and better cooling effect. Different

types of power cord are available for different countries wall plug. The zAdapter® CI925ZDG Multi-Charger is the only Dock-in-Case, Multi-Charger for the Cisco Unified Wireless IP Phone 7925G and is fully **compliant with environment and safety standards**.

**Product Forecasting:** This CI925ZDG Multi-Charger for Cisco 7925G Unified

*Wireless IP Phone and battery pack is full compatible with our available soon zCover **ZB925 series Bluetooth Speaker Phone / Car Phone for Cisco 7925G** and pair with up to 8 mobile phones, zCover **ZB925ALT Li-ion Battery** with capacity indicator.*
