

zCover Press Release

FOR IMMEDIATE RELEASE
 RICHMOND, BC, CANADA – April 20, 2010

zCover Holster pack for Intermec CS 40

The top protection and docking solution for truck drivers and other delivery people

After successfully filing its Unified Power Solution™ patent, zCover - the leading producer of protective covers, cases and innovative power chargers - immediately unleashed the [Holster Combo Pack for Intermec CS 40](#).

Ideal for truck drivers and other delivery people that need an excellent protection for CS 40 from dropping. Also the compatible desktop dual charger will be released soon with zCover DOCK-IN-CASE solution –PATENT FILED. The ergonomic design of the Holster case pack compatible with desktop dual charger also frees up drivers from tangles of pulling out the phone from the protection case for charging.

- Dock-in-case allows the users to dock the phone with the protection case on;
- Easily change the battery with our back open design silicone case
- CS 40 antenna's function performance improved a lot with zCover unique case design
- Have no issues with cleansing by a germicidal wipe commonly used in hospitals;
- Protects the phone from dropping;
- Durable holster allows the users to remove the phone quite easily
