zDock® Unified Multi-Battery Charger Set for Ascom d62/i62/d81 & Avaya 3740/3749 Battery, to Charge up to TWO (2) Batteries Simultaneously.

- Certified safe and environmentally compliant, meeting or exceeding regulatory standards
- Comes with battery charge indicator for each battery slot
- Features intelligent battery temperature monitoring which discontinues charging if the battery temperature reaches over 113°F (45°C)
- When batteries are full, Charger switches to a trickle charge
- Comes with a zCover Global AC Adapter
- Charger will charge the batteries two times faster than using other power supplies. Batteries can be fully charged in 2 hours
- Compatible with zCover Universal Wall-mount Kit and zCover Universal DIN Rail Mounting Kit, which allow you to mount the charger on the wall (Wall Mount NOT included)
- Different types of AC Power plugs are available for different countries, including Australia, Continental Europe, Japan, United Kingdom, and North America
- Includes a power supply with your selected AC plug
- Can be docked into zCover Unified Dock Racks to form a Multi-Charger or to form a customized mixed Multi-charger with other Unified Desktop Dual Chargers or Unified Multi-battery Chargers under this patented concept

Compatible with zDock  
Universal Wall-mount Kit

Compatible with ASCOM d81/d62/i62  
handset battery
